TECH–LINK LEGO ROBOTICS SUMMER EXPERIENCE 2014

Learn how to build and program robots using LEGO building materials and software. Beginner and advanced options available.

TECH–LINK is a youth initiative sponsored by the University of Pittsburgh's School of Health and Rehabilitation Science, Rehabilitation Science and Technology Department, and the Human Engineering Research Laboratories.

Girls Only Day is made possible by a generous grant from GirlsRISEnet!

Cost of all camps: FREE ~ space is limited

About
